- CCSP's: professional IT-production, organization, quality development
- Mandates: IT – pedagogy (handbook for evaluation) – organization (handbook)

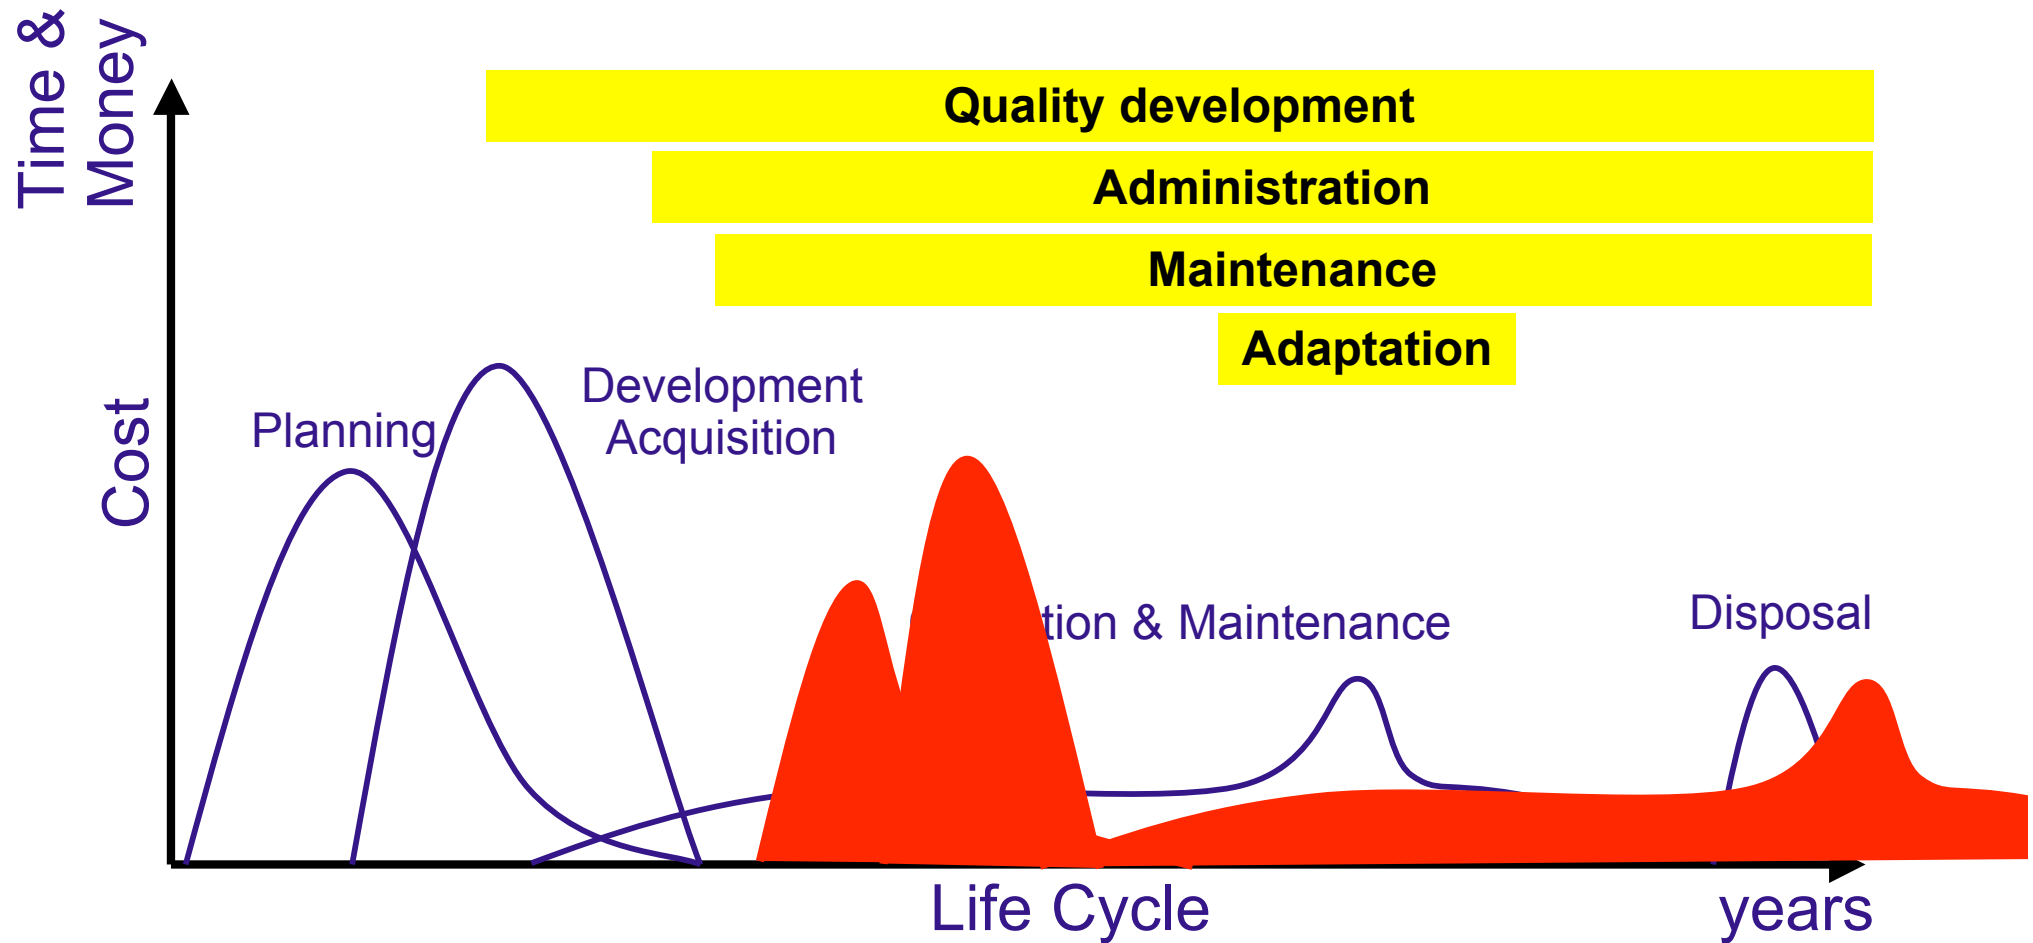

# Transfer: Opportunities & Challenges

Target Groups

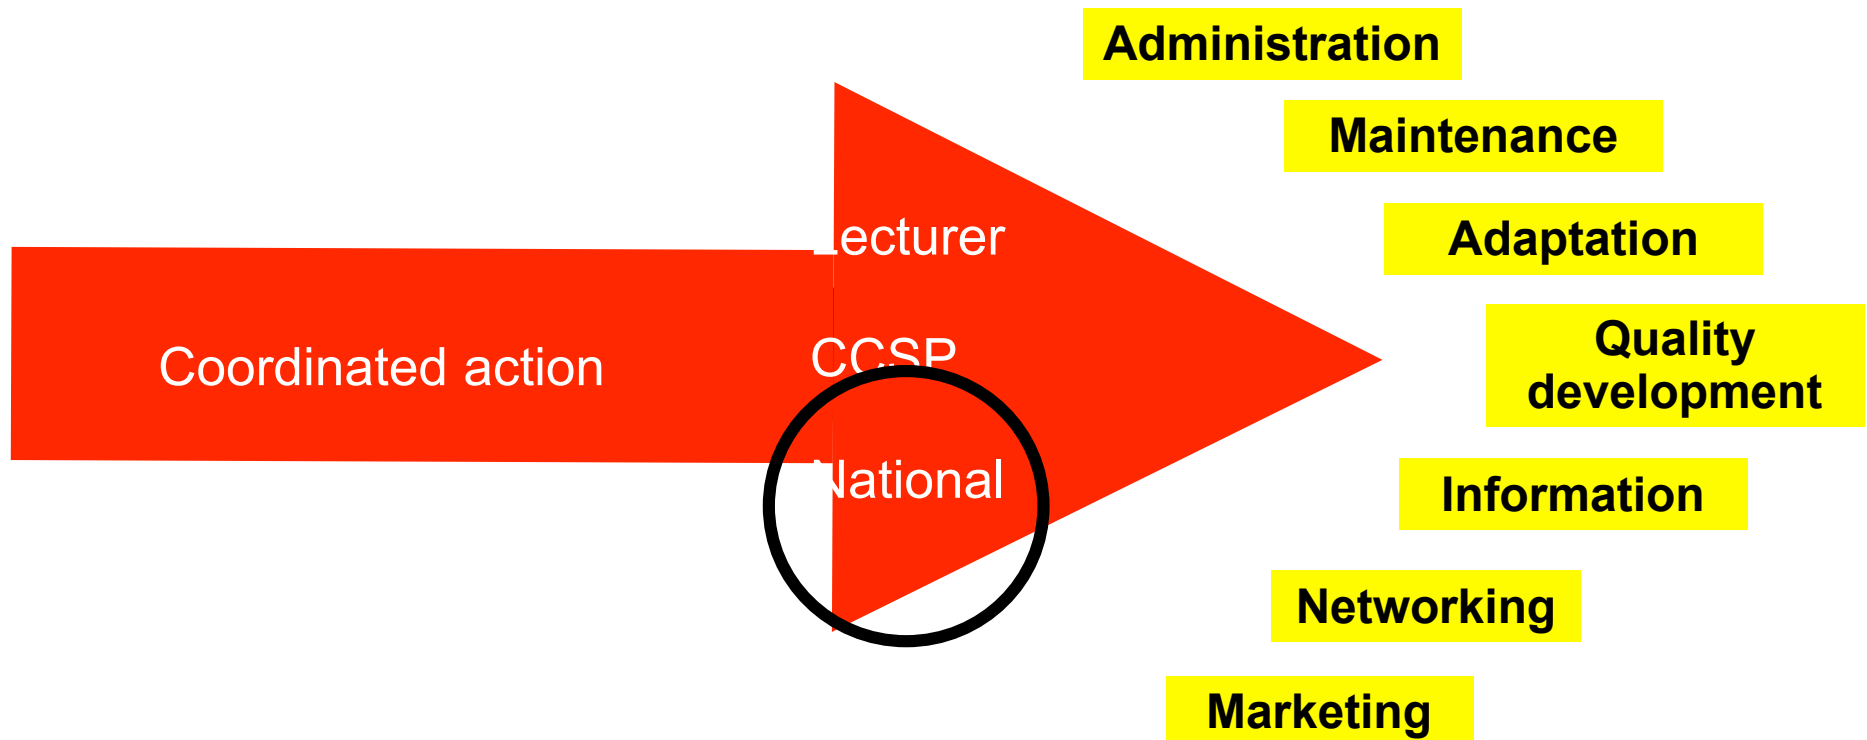

## Product Life Cycle: Issues to be expected

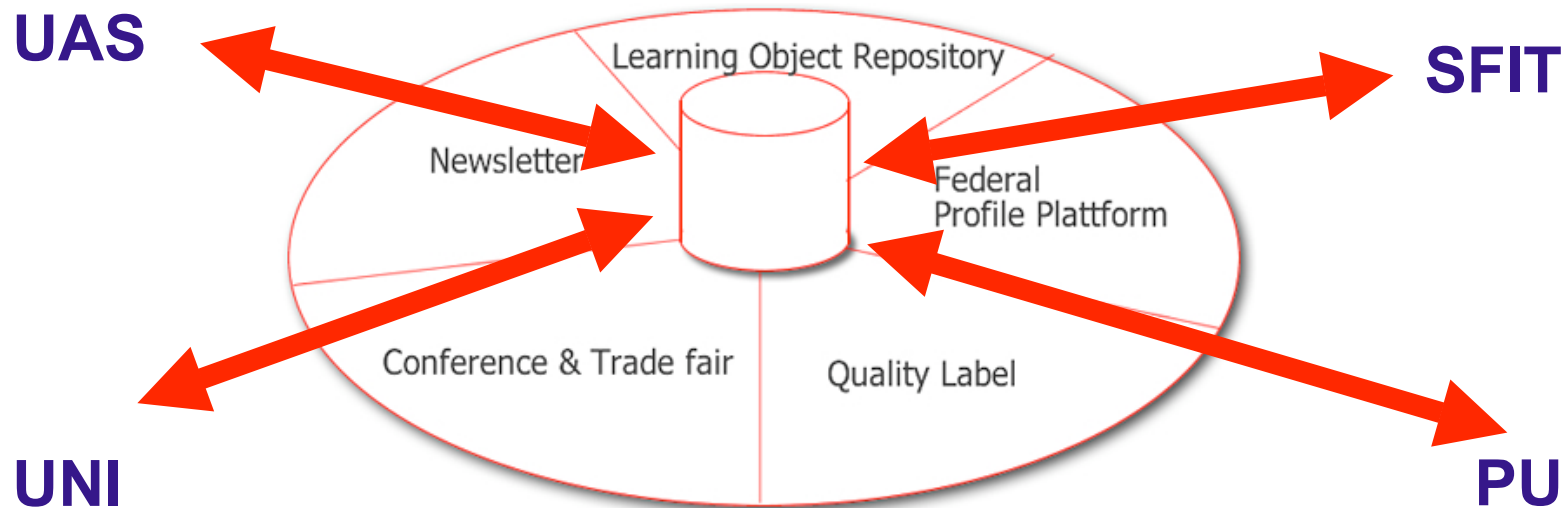

## How can we tackle these challenges?

## Possible support on a national level

- Technical infrastructure → Learning Object Repository
- Information & marketing → Federal Profile Plattform & Public Event
- Community & Networking → Newsletter & Conference (outline)
- Quality development → Quality Label outline

## Thank you!
